System Requirements For Glint - Computer Activity Monitor:

"Only the best is good enough for RAGE!" "It's a Red Letter Game!" "The ONLY place to see what can happen!" My desktop was just a little too small to fully show off all the things the new game has to offer, but from what I've played in this early beta build, it's going to blow your mind! Some of the features include: a brand new story mode featuring 5 different chapters (4 of which can be played solo), a new weapon mechanic,
