The popularity of AutoCAD Cracked 2022 Latest Version has spawned a number of similar and competing software products developed by other companies including Inventor and AutoCAD Free Download LT. AutoCAD Crack Free Download LT is a version of AutoCAD for smaller enterprises. In 2011, Autodesk rebranded the industry-leading AutoCAD, AutoCAD LT, and Inventor as Autodesk Inventor. In 2013, Autodesk announced that Autodesk AutoCAD 2014 would no longer be available for Windows. Instead, Autodesk said Autodesk AutoCAD 2014 would be replaced by Autodesk AutoCAD 2015. AutoCAD 2015 is the first release of AutoCAD since it was renamed Autodesk Inventor in 2011. Autodesk AutoCAD LT is available for free for both commercial and non-commercial use. While the core functionality of AutoCAD LT is similar to the standalone version, the cost of licensing AutoCAD LT for use by a small company is considerably lower than the cost of a perpetual license for AutoCAD. Inventor 2015 (AutoCAD 2015) is a major release of the industry-leading AutoCAD application for designing mechanical, electrical, and manufacturing (MEMS) devices and components. This release of AutoCAD includes significant user interface improvements, embedded system integration, and new functionality. This release also marks the beginning of a new Autodesk product line: AutoCAD Architecture. The 2016 release of AutoCAD Architecture is an extension of AutoCAD into the architecture design space. The core features of AutoCAD Architecture are cross-platform modeling tools, including SketchUp natively integrated with AutoCAD. Architectural geometry support includes advanced modeling features, and an advanced BIM model (BIM stands for Building Information Modeling). In 2017, Autodesk announced AutoCAD Architecture 2.0, a major revision to AutoCAD Architecture. The latest release of AutoCAD Architecture is AutoCAD Architecture 2.1. This tutorial will provide an introduction to AutoCAD LT. AutoCAD LT is a free, alternative to AutoCAD. AutoCAD LT is supported on all Windows and Mac operating systems including Windows 7 and newer, as well as Mac OS X 10.10 (Yosemite) or later. AutoCAD LT is supported on a wide range of hardware including desktop and laptop computers, mobile devices, and mainframe systems.
