2 Comments USB 2.0 Easy Cap TV DVD VHS Audio Video ROME - Livorno will have their final meeting with the Azzurri on Tuesday ahead of this month's UEFA Nations League clash in November. Now it's the moment of truth. "There's no need to be nervous," said Antonio Conte. It certainly doesn't look that way as Italy have been ripped apart on the training pitch by Atlético Madrid after their 1-1 draw with Spain in Gijón. Italy have fallen to third place in the group ahead of their final match of September against Switzerland after losing consecutive games in the Nations League. "I think our challenge is to qualify for the Nations League semi-finals," Conte said in his press conference. "We need to win our game and the best way for us to do that is to qualify for the semi-finals in the Nations League. "We're now ahead of the first round of the Nations League and we have to win our game. It's been a long journey since we got to the Nations League. "We finished the first round and now we have to prepare for a game on a short break. We need to look at our team and prepare for it." Italy have taken part in the Nations League for the first time in their history and have been open about the fact that some are still uncomfortable with the system. They know there is pressure on them to perform but no matter what questions are asked of Conte, they get the same response. "There's no need to be nervous about finishing third," he said, pointing to the positive start to the Euros. "There's no need to be worried about our position. We've played two games and ended up three points behind in the group. "But we've played four games and are third in the group and we were fifth in the group going into the first match." He stressed that the first round of the Nations League showed the level of play in the group. "I'm not going to pick favourites," he said. "We played two huge games against Spain and got a result and we played a fair game against Spain and scored at the end. "We played against Croatia, we got a good result, we won against Spain and we played against France and we lost 1-0. "I think all of
