PARTICIPATION Volume 1, Number 3, Spring
1998 INTRODUCTION This paper contains data
to be presented at the International Conference
for the Development of Peru and Colombia: 'The
Economic Impact of Mining Activities' held at
the Peruvian Ministry of Mines and Energy, San
Lazaro, Lima, Peru, July 22-25, 1997. In this
paper we define for the purposes of this paper:
"Strategic Approach to Iron Mining" as a
comprehensive approach to iron mining and
marketing participation. "Strategic
Management" as the broadest of topics that
addresses the study and application of
management strategies. "I.R.M.A." as the
