To Do: start looking at users around the world, and see if any are close, like the same city, or close to each other. Any tracking app allows you to download apps from play store, it provides the app's link and also an option to install the apps directly, this method will not allow you to install the apps directly even if you have done that you have to download the same on play store again and install which will increase the size of the file on your pc. If you have tried downloading and installing apps using play store and the apps' files are big you have to install the apps directly for its installation to work. Many users have reported that this method of installing apps on play store is allowing

them to install apps with a minimum size, but it may not happen everytime, because the apps has different developers and their apps have different sizes. But if you are installing a big app (previously downloaded from play store) the size of its installation is now a bit smaller.

1. Field of the Invention The present invention relates to a method of enhancing electroslog remelting of metal and more specifically to a method of achieving improved quality of a sintered metal-ceramic body.

2. Description of the Prior Art U.S. Pat. No. 4,789,344 teaches the use of a thermal barrier in the form of ceramic material in conjunction with an electroslog remelting operation. U.S. Pat. No. 5,132,192 teaches applying a thermally inert coating, such as ceramic, to a molten slag bath. U.S. Pat. No. 5,138,576 teaches laminating an essentially flat ceramic substrate to an essentially flat metal core.

U.S. Pat. No. 4,900,501 shows a process for preparing metal-ceramic substrates having a composition of the type wherein the metal is a base metal and the ceramic is a sintering aid. U.S. Pat. No. 3,531,283 shows the fabrication of a metal-ceramic substrate wherein the metal is a base metal and the ceramic is a sintering aid. The ceramic sintering aid is applied to the base metal in the desired thickness to form the substrate. The base metal and ceramic are heated together to a sintering e79caf774b
