There are three different classes: the Archer, the Ranger, and the Berserker. Archer, which are normal but heavy-armed, with a standard attack and two kinds of special attack. Ranger, which are quicker, are somewhat weak but have a chance to recover after taking damage. Berserker, which are the toughest, are able to hit with heavy power, but takes some time to recover after doing damage. The player has access to three weapons, depending on the class. The Berserker can carry up to two weapons and the

Ranger can carry up to one weapon. When the player equips one of these three weapons a display will be given showing which type of damage will be received. This damage will be reduced with the corresponding weapon by a small amount, but with other weapons it will be reduced by a larger amount. Certain monsters are slightly special in that they can be used in the game and special weapons are needed to handle them. Each monster can be classified as an Archer, Ranger, or Berserker in addition to a class. Guide Kaydia through her exciting journey into an awesome mystery as she investigates a mind-bending conspiracy within a haunted house and stops the ghosts from ruining her night.
