Table 1: Relationship of Length, Number, Center, Circumferential and.. a) one stereoisomer (A) and one diastereomer (B) of an unknown mixture. Thank You Error. As the air has settled, I've been debating how to kick off this year's Best of Show feature. Let's not waste any more time, and begin with a few gems. Macy's catwalk wore fashions by Dolce & Gabbana, Alexander McQueen, Marc Jacobs, and Versace, with an eye toward bringing the ideal of New York style to the lower-middle class. The show, choreographed by Paul Tazewell, was a "comedy of errors," in which "the designer unwittingly mimics the catwalks of Paris and Milan," but updated for the working woman. Versace's theme was "last year's big fashion mistake." An error was made when Giambattista Valli was paired with Kate Moss, the model who had previously inspired Versace to create a line of suits that did the model justice. Miss Moss had been spotted backstage wearing the designer's fall womenswear line, which was full of color, pattern, and sexy, sexy material. Mr. Valli was accused of carrying a fashion whiff of the "thirtysomething" era. D&G created a story with the elegant, effortless-to-wear cocktail dress. Tazewell directed a parade of models who were described by a D&G press release as "earthy, liberated young women, women you could spend the night with, women who would wear Dolce & Gabbana to your wildest parties." While the dresses were luxurious, the attitude was accessible, telling the story of a generation of women who aren't afraid to

push the limits of what they are wearing. D&G could sell to this customer while still selling to the likes of Cindy Crawford, Dita von Teese, Paris Hilton, and Anna Wintour. In short, Versace and Dolce & G
